What is TAG?

A friendly and informal bunch of interested Tenants who get together to discuss with Coast2Bay staff how we can shape our business and make important changes which help you thrive in your Tenancies and beyond. TAG meets every two months in Nambour and Caboolture to discuss topics ranging from policies and procedures, ideas for the Tenant Newsletter, volunteering opportunities and Tenant Participation events.

This group is your opportunity to get involved and shape the things that will effect you and your community in the future. We value your input and are always looking for new ideas and ways to engage with our most valuable resource - **YOU!**
